

Salesforce Consultant - Manager

When you join Accenture, you can make great ideas happen for some of the world's most dynamic companies. With broad global resources and deep technical expertise, we collaborate with clients to cultivate ideas and deliver results. Choose a career at Accenture and enjoy an innovative environment where challenging and interesting work is part of daily life.

Turn your ideas into business improvements – join Accenture's Salesforce.com practice to make great ideas happen for some of the world's largest and most dynamic companies and their organizations.

Do you have experience in Salesforce.com? Are you driven and have a results-oriented approach? Welcome to join our winning team where passion for delivery is in focus.

Your Colleagues and Career Opportunities

We will give you the opportunity to grow personally and professionally in a dynamic environment. Our projects are built on cooperation and teamwork and you will find yourself working together with other talented, passionate and dedicated consultants, all working towards a shared goal.

Salesforce.com consulting professionals at Accenture specialize in the design, development, integration and delivery of business process and industry solutions for our clients. Working at Accenture, you will utilize your core business, technology and industry expertise and be part of Accenture's global network, enabling our clients to become high performing businesses. Our consultants act in various roles and are responsible for delivering large-scale transformation programs aimed at helping our clients achieve measurable business value.

Investing in you & Balancing your priorities

At Accenture, we believe that quality comes from within and we invest considerable resources in the development of your professional competencies. You will receive on-going training that builds and extends your skills on a continuous basis, allowing you to develop tailored expertise quickly. You will have direct access to state-of-the-art technologies, tools and developer kits from all the major hardware and software houses, keeping you on cutting-edge of your area of expertise.

We are looking for highly motivated individuals who meet the following criteria:

- Bachelor/Master of Science degree or similar
- Experience from at least one full Salesforce.com or other CRM platform life cycle implementation
- Ability to work and deliver creatively and analytically in a problem-solving environment
- Fluent in English
- Ability to meet client travel requirements, when applicable

Our employees are our most important asset and we provide an environment that encourages a healthy work/life balance. For example, we offer working from home when the project allow it. You will get your own career counsellor who interacts with you on a regular basis, ensuring you a career path that suits your needs and ambitions. Through our buddy network you will have easy access to knowledge and networks both on a professional and a social level.

Are you interested in developing your career opportunities in a worldclass environment?

We look forward to receiving your application.
