## SAP Sales and Distribution with Variant Configuration for Industrial Equipment

### Experienced SAP specialist within Sales and Distribution

As SAP S/4HANA Enterprise Management professional, you will design, build, implement and deploy SAP solutions to achieve defined business goals and requirements. You are experienced in SAP S/4HANA Enterprise Management On-premise for Finance – roadmap, upgrade, migrations and support projects. Furthermore, advising and advocating leading practices in subject matter, which is key for our client's success in being high performers.

### Required qualifications

- Documented experience with SAP SD with logistics (LE) configuration, and process standardization/optimization.
- Experience with Supply Chain configuration, and process standardization/optimization
- SAP S/4 HANA Enterprise Management on premise knowledge/experience is strongly preferred
- Well versed with various distributions and logistics scenarios
- Able to assess current state, identify customer requirements, and define the future state and/or business solution
- Understand the customization and should be able to provide the guidance to technical team, and manage the solution delivery.
- Experience in creating functional designs
- Documented project experience in at least one full-project lifecycle
- Proven ability to assess the business model and its integration with technology
- Proven ability to work creatively and analytically in a problem-solving environment

- Good understanding of cross functional integration and how to apply leading experience from similar consultancy company will be an advantage
- Excellent communication (written and oral) and interpersonal skills
- Excellent stakeholder management skills
- You are fluent in English and preferably in one of the Scandinavian languages – Danish, Swedish or Norwegian

### Our commitment to you

- Your entrepreneurial spirit and vision will be rewarded, and your success will fuel opportunities for career advancement.
- You'll make a difference for some pretty impressive clients. Accenture serves the leading players in the industry in Denmark, Nordic and Globally.
- Access a world class industry experts, research, communities and assets
- Access to leading-edge technology and digital innovation and delivery centres
- Along with a competitive salary, Accenture offers a comprehensive package that includes excellent benefits

We offer you an excellent opportunity to grow your skills within an international world leading company performing to the highest professional standards. Your development is supported by advanced learning- and performance models to provide you with cutting-edge knowledge in your specialist field. We will build your future career and as a key milestone, we will assign you a personal career counselor, guiding you through your professional development at Accenture.
