Job Description:

The Retail Solution Architect will play a key role in the creation and roll-out of the future POS retail solution which will be based on Microsoft Dynamics AX 2012 R3 and MPOS. The Retail Solution Architect will be central for driving the analysis, design and implementation of the POS retail solution within PANDORA in cooperation with internal and external partners.

Main responsibilities:

- Take responsibility for designing the future POS solution for PANDORA.
- Perform business process analysis.
- Review, propose and create end-to-end solution designs and architecture.
- Evaluate new solutions and drive proof-of-concepts.
- Participate and coordinate architectural cross-functional activities within our ERP program.

Location: Copenhagen, Denmark. We expect app. 20-30 days of travel.

Professional qualifications:

- Profound experience with Microsoft Dynamics AX/POS (Alternatively other ERP/POS).
- Solid experience in the role as Solution Architect from a global company.

- Knows what it takes to create and roll-out a global template.
- Thorough understanding of retail processes within a global retail organization.
- Strong analytical skills.

Personal qualifications:

- Team player.
- Good communication and presentation skills.
- Open to changing and developing environments.
- Independently conduct tasks and take initiative.
- Detail oriented without losing the big picture.
- Ability to build good relationships with colleagues across nationalities and cultures.
- Fluent in written and oral English.

We offer:

You will be part of a company in an exciting business area and work in an international hub of can-do spirited, passionate and performance-driven people. We are a busy department of app. 9 people, who work closely together, help each other out and appreciate an informal and humorous tone.
