Job Description:

You will be part of the Back Office Application team in Global IT where we manage the implementation of solutions for PANDORAs Finance, HR and Communications functions on a world wide scale. You will work with various business entities to build efficient process support in the system landscape. You will also take responsibility for rolling out the solutions in different countries.

Main responsibilities:

Your main responsibilities will be:

- Managing AX and related solutions
- Collect, qualify and manage business requirements
- Development and deployment of new functions and features
- Onboarding and train users around the world
- Monitor and improve support setup together with IT Operations and support partners
- Identify and test drive new functions and features which will create value for PANDORA

Location: Copenhagen, Denmark. We expect app. 20-40 days of travel.

Professional qualifications:

- Experience with implementation of financial solutions in international corporations

- Experience with Dynamics AX 2012 is preferred
- Experience with requirement specification and process analysis
- Experience with application configuration and maintenance
- You must be able to speak and write English with high proficiency

Personal qualifications:

You expect you to:

- Be able to communicate clearly and engage socially
- Be able to drive analysis work across different cultures and communities
- have a passion for IT work
- Be able to work independently and frequently with tight deadlines
- Be able to facilitate workshops and user training
- To be willing to lead smaller projects and assignments within PANDORAs business application area Have a master's or bachelor's degree in IT, Economics or relevant field

We offer:

You will be part of a company in an exciting business area and work in an international hub of can-do spirited, passionate and performance-driven people. We are a busy international department of 5 people, who work on different projects and solutions, help each other out and appreciate an informal and humorous tone.
